## SPOTLIGHT GRAND FOND SUB OFFICE REOPENS

Members of the National Co-operative Credit Union Ltd (NCCU) in Grand Fond can once again access the full, wide range of products and services offered by the NCCU.

In 2017, just two months after officially becoming a part of the NCCU family and a sub office of the LaPlaine Branch, the passage of Hurricane Maria resulted in the closure of the office with the building desperately in need of repair.

On Wednesday June 9th, 2021 after almost a four (4) year closure, the sub-office re-opened its doors to the public albeit on a one (1) day a week basis in the first instance. On Saturday June 12th members of the Board of Directors and Staff of the NCCU returned to Grand Fond and had a very interactive member outreach. Members voiced their views on everything from opening hours to policies and asked pertinent questions to gain insight on things which they needed to understand.

*The Grand Fond Member Outreach of June 12th, 2021 was held on the 4th anniversary of the signed acquisition which officially deemed the South East Credit Union, which included Grand Fond as part of the NCCU Ltd.*
