VIRTUAL MEET-UP

The Covid-19 Pandemic presented everyone with a unique opportunity; *to sink or swim*. The National Co-operative Credit Union Ltd chose to swim. Having missed out on the opportunity to meet with the membership in the manner which is the norm, the Marketing Department birthed NCCU's Virtual Meet Up.

Designed to reach the membership and provide education on a range of topics, the Virtual Meet-Ups brought together staff members and professionals in various fields. Conversations were candid and events were professional but not rigid. Without a doubt, the biggest champions of the Virtual Meet Ups are the members who continue to interact during the shows and make requests for more topics to be covered.

To date the department has produced five (5) shows:

Virtual Meet Up1 – Let's Talk About Home Insurance

Virtual Meet Up2 – Life with Your Mortgage

Virtual Meet Up3 – No time, No line

Virtual Meet Up4 – Preparedness

Virtual Meet Up5 – The Credit Union Difference

STAFF MATTERS

Team building is "The action or process of causing a group of people to work together effectively as a team, especially by means of activities and events designed to increase motivation and promote cooperation."

Nothing beats the sound of someone cheering you on as you work together as a team. This was the sound on the court as the NCCU participated in the Dominica Amateur Volleyball Association/Do It Center Business League. Many of the players were no strangers to sporting activities but they were new to Volleyball. The team dubbed **CU ON DE COURT** battled against banks, utility companies, prison guards, police officers, port and customs officers and even movie showers. Respect was earned by all as they put on a good showing for first time participants.

The enthusiasm of Haynie, the focus of Chelsea, the determination of Cedrick, the movement of Jalen just to name a few made the team all the better. Despite not progressing far in the competition there is no doubt that this team made the NCCU proud. The coaches were tough on them and they hold massive potential but their willingness to represent is the most admirable thing...

TEAM:

Wilson Casimir	Henry Williams	Cedrick Skerit
Ramal Carbon	Aaliyah Bellot	Kemany Cuffy
Jalen Giraudel	Chelsea Dailey	Fabien Charles
